

Leading Through Prayer

Practice Two: Waiting On God (Silence)

Reflection Questions:

- What makes it possible for you to hear God amongst all the chatter?
- What is it that keeps you from resting in God?
- What more could you do to be sure that you truly know God's will when you pray?

Pray...

- *Celebrate* the Lord as the prayer initiating God who speaks in the silence.
- *Ask* God to teach you how to rest in Him.
- *Thank* God for the privilege of knowing His thoughts and praying them back to Him.
- *Intercede* for loved ones who may be restless in prayer.

Act...

- The next time you set aside time to pray, start by saying, "Lord, help me right now to be quiet so I know what you want me to pray."
- Be open to celebration, thanks, confession or supplication.
- Wait for impressions or promptings from the Holy Spirit.
- Then when they come write them down in your prayer journal and pray over them.
